

HIS 100: Learning Block 3-4 Secondary Source Analysis Worksheet Rubric

Prompt: Review the [Research Kit](#) you encountered at the end of Theme 1 and read another secondary source of your choice related to the topic you are interested in. Then, download and complete the [Secondary Source Analysis Worksheet](#) for the secondary source that you selected. Refer to the Sample Secondary Source Analysis Worksheet posted in the 3-4 Learning Block for an example of how to fill out the worksheet.

Guidelines for Submission: Complete the Secondary Source Analysis Worksheet and submit the completed worksheet to the learning environment for instructor grading and feedback.

Critical Elements	Proficient (100%)	Needs Improvement (85%)	Not Evident (0%)	Value
Engagement of Response	Addresses each field posed in the worksheet based on information from a secondary source	The fields posed in the worksheet are minimally addressed and/or does not use information from a secondary source	Does not address any of the fields in the worksheet	30
Focus of Response	Provides a focused and direct reflection addressing how the source relates to the project topic	Provides a reflection on how the source relates to the project topic, but the focus is unclear and lacks the detail requested in the prompt	Does not provide reflection on how the source relates to the project topic	30
Specific Examples	Analysis includes specific examples, including page numbers and proper citations	Analysis includes examples but they lack relevance to the topic	Does not provide examples	20
