

FIN 550 Homework Guidelines and Rubric

This course uses homework problems to demonstrate competence and allow for practice with calculations unique to finance. Complete all your calculations in the [Homework Student Workbook](#). Then summarize your findings and discuss the implications of the findings for the business or potential business transaction. Follow the instructions for each question in Modules Three and Five and complete the assigned work.

Guidelines for Submission: Each homework assignment must be submitted as a 1-page Microsoft Word document with double spacing, 12-point Times New Roman font, and one-inch margins. Any sources should be cited according to APA style. In addition, your Homework Student Workbook must be submitted to demonstrate all calculations.

Critical Elements	Proficient (100%)	Needs Improvement (70%)	Not Evident (0%)	Value
Accuracy of Calculations	Includes detailed calculations, including demonstration of each step taken to accurately complete the problem	Includes calculations that are inaccurate and/or does not include all of the steps needed	Includes calculations that are inaccurate and does not provide an explanation of calculations	45
Analysis: Implications	Includes an explanation of the implications of the findings for the business and/or potential business transaction	Explains the implications of the findings, but there are inaccuracies or explanation is insufficient	Does not include an explanation of the findings	45
Articulation of Response	Submission has no major errors related to citations, grammar, spelling, syntax, or organization	Submission has major errors related to citations, grammar, spelling, syntax, or organization that negatively impact readability and articulation of main ideas	Submission has critical errors related to citations, grammar, spelling, syntax, or organization that prevent understanding of ideas	10
			Earned Total	100%
