

NUR 305 Case Study Guidelines and Rubric

You will examine two case studies in this course. These assignments will help apply your theoretical learning to real-world scenarios. Within each paper, be sure to address each question in the given prompt thoroughly and include the following elements:

1. A thorough response to all parts of the prompt
2. An assessment of the role of patient care technologies
3. Incorporation of sources to support your response

Guidelines for Submission: Case study papers should be 2–3 pages in length with double spacing, one-inch margins, and 12-point font. Each case scenario should include at least two peer-reviewed sources. APA formatting is to be used for references and in-text citations.
