

**CJ 430 Final Project Milestone Three: Presentation Outline Rubric**

For the third milestone of your final project, you will develop a presentation outline. A presentation outline is a way of formally arranging and developing your ideas for your presentation. Structure your outline around the critical elements in the Final Project Guidelines and Rubric document in the Assignment Guidelines and Rubrics topic of the course. The critical elements listed must be covered in your outline as well as your final presentation that you will submit later in the course.

**Guidelines for Submission:** Your presentation outline should be 2–3 pages in length.
