

HIS 100: Learning Block 4-2 Short Response Rubric

Prompt: Submit the revised versions of the research questions you posed in Project 1 to your instructor for feedback. In one to two sentences accompanying each revised research question, explain how you approached revising your research questions. Additionally, describe what your primary sources add to your understanding of your selected event and how they relate to the secondary sources you listed in Project 1. Finally, describe the historical context of your historical event based on what you have read in your secondary sources. The feedback you receive from this assignment should be implemented as you work toward Project 2.

Guidelines for Submission: Your submission should include two revised research questions, one to two sentences for each research question explaining your approach to revision, and a total of two paragraphs addressing the Primary Sources and Historical Context critical elements
